### **NJPSA STUDENT LEADERSHIP SCHOLARSHIP CRITERIA**

NJPSA is providing twenty five student leadership scholarships. The twenty five (25) \$2,000 scholarships will be awarded to graduating **seniors** for their demonstrated leadership in school activities. Students will be selected from each of the three regions of our state, north, central and south, in accordance with the following:

#### **Eligibility**

Eligibility is limited to graduating high school seniors who have demonstrated leadership for participation in co-curricular activities **other than athletics**.

#### **Application Process**

Each applicant is to submit a one page essay on the topic "The Importance of Student Involvement in School Activities." The applicant must also provide a resumé indicating leadership positions they have held and their contributions to their school while in these positions. In addition, two letters of recommendation are to be submitted, one each from the principal and an activities advisor.

#### **School's Role**

Each high school is asked to screen their applicants and forward the **name** of their nominee (**only 1 student application can be submitted from a school**) along with the information requested above to Charles Stein or his secretary Stacy Barksdale-Jones at NJPSA **by April 29, 2011**.

#### **Selection Process**

The Student Activities Committee of NJPSA will screen all applications and notify the recipient's schools of their selections in May.
