

## **GrapeSEED Blurb for NJPSA – Oct 2020**

Whether learning in their classroom or living room, the [GrapeSEED Oral Language Curriculum](#) will give your English Language Learners the foundation they need to become successful readers, writers, and communicators. In the classroom GrapeSEED is a teacher-led interactive program. While at home, students have access to engaging and fun prerecorded lessons. Digital content is also available for teacher-led online lessons. The GrapeSEED Student App is used in conjunction with lessons to provide repeated practice and exposure to the captivating content. GrapeSEED Learning Specialists provide virtual training, individualized coaching and PD for teachers to maximize student achievement and teacher satisfaction.
